### Town Clerk and Tax Collector

The Town Clerk and Tax Collector Office is open from 9:00 AM to 12:00 PM and 1:00 PM to 4:00 PM Monday through Friday. This office issues dog licenses, hunting licenses, disabled permits, has voter registration forms, absentee ballots, building permit applications and Star Program forms available for the public along with notarizing paperwork for everyone.

On January 2, 2014, the Town Clerk/Tax Collector, Sherrie Williams, will start collecting taxes. If you have any questions, feel free to contact her at 315-287-0045.

#### Use of Town Facilities

The upstairs in the Town Hall is available for use by Fowler residents and arrangements to use the Hall may be made by calling Karen Simmons at 315-287-4753.

During the summer Sylvia Lake Beach is open seven days a week and hours are advertised. For more information, call Natalie Spilman at 315-323-3315 or 287-9391(H)

Groups interested in using the Hailesboro ball field during the summer may contact Rick Newvine at 315-287-2708.

### Assessor's Office

If you have bought or built a new home in the Town of Fowler in the past few years and **do not** have a Star Exemption on the home, you may be eligible for the Star Exemption.

To determine if you are eligible, procure a Star Application Form from one of your Assessors or the Town Clerk's Office. Residents who have the BASIC STAR have got to contact the State to re-register for the star even if they have filled out a Star form with the Assessors Department this year.

- Re-register by phone - 518-457-2036
- by Internet - [www.tax.ny.gov/pit/property/star13](http://www.tax.ny.gov/pit/property/star13)

If you need any help or have any questions, call or see Robert Fuller 315-287-0118, Robert Andrews 315-287-4189, or Tim Geer 315-286-4050.

### Board of Assessment Review

There are three seats on the Board of Assessment Review. The board is currently comprised of Chairman Grant Mitchell, and George Erdman Jr. One Board seat remains to be filled due to the unfortunate passing of Frank Langevin in 2013. In 2014, the Fowler Town Board will advertise and solicit interested parties to fill the open seat. Interested parties will be asked to send a letter to the Town Hall. The Board of Assessment Review meets once a year on the fourth Tuesday of May from 4:00 p.m. to 8:00 p.m. at the Fowler Town Hall.

Residents who wish to grieve their tax assessments may appear before the Board and express their view. After hearing all grievances, the Board reviews and makes their decisions to either lower the griever's assessment or to let it stand. Residents who have appeared are notified of the outcome by mail.

### Town Planning Board

The Planning Board is made up of six Fowler residents. The members are Chairman, Rick Whitford, Sandy Baker, James Besaw, Ed Siebels, Andrew Miller and Stephen Gale.

The purpose of the Planning Board is to recommend appropriate land use that will be to the betterment of the Town and submit their recommendations to the Town Board. They also review Building Permits and do special projects that the Town Board assigns.

The Planning Board meets the last Tuesday of the month as needed, as well as other times when necessary at 7:00 PM in the Fowler Town Hall. Meetings are advertised in the local paper and on the Town of Fowler website. All interested persons are welcome to attend.

### Code Enforcement Office

Fowler has had another busy and growing year with 74 Building Permits issued. Code Enforcement Officer Rick Whitford would like to thank everyone for their cooperation and patience.

Building permits are required for any structure 144 sq. ft. and over, any structural changes on your home or buildings, and for all roofing projects. If anyone has any questions, call Rick Whitford at 315-286-2360 or call the Town Clerk's Office at 315-287-0045.

Fowler is also trying to address the Maintenance and Junk Laws for the safety and health of our residents. We would like to ask your help in maintaining your property free of trash and junk cars.

The Property Maintenance Code of NYS/Sec.303 (F) requires premises identification and that buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road-fronting the property. Numbers should be 4 inches tall.

We are hoping for another uneventful and smooth running year for Fowler.

### Dog Control

2013 has been a busy year for Neil Hooley, the Dog Control Officer, addressing problems and issues, finding owners of lost dogs and issuing warnings.

We had another successful rabies clinic in May and two Spay/Neuter Now Clinics this year. Watch our website for information about the upcoming events.

It is a NYS Law that all dogs 4 months of age must have a rabies shot and be licensed. Please remember that there is a leash law in the Town of Fowler.

Check the town's website for available adoptions through Friends 4 Pound Paws.

### Justice Department

The Town of Fowler Justice Court, the Hon. Paul M. Lamson, Town Justice, holds court every Wednesday at 6:00 PM. Court is held upstairs in the town hall building.

If you need to contact the court during off times, please call 315-287-9996 and leave a message.

The Data Collection of all parcels in the Town of Fowler was started in 2013 and will continue until completion in 2014.

The town is working closely with the St. Lawrence Co. Housing Authority to complete the Fowler housing rehabilitation using the grant monies from the Community Development Block Grant (CDBG).

In 2013, the hours at the Town of Fowler Beach at Sylvia Lake were expanded and there was a significant increase in attendance. The beach and picnic area were open to the public seven days a week from 11:00 a.m. to 7:00 p.m. There is no charge to use the beach and picnic areas. We will continue with the expanded hours in 2014 and hope to make improvements with the landscaping and facility.

### Town Hall Dropbox

There is a convenient Drop Box at Town Hall. It is checked twice a day on business days.

Rick Whitford, our Code Enforcement Officer, would like to remind everyone to check the batteries in their smoke detectors. Be sure to test them monthly!

### Town of Fowler's Website

The Town of Fowler website is updated with meeting information and other announcements of interest to residents. Minutes of meetings and other documents are available - and searchable on the site.
